

Hi All,

It's Playtime! Effective 04 January 2010, the new hours for PlayGym sessions are:

Mondays : 10am to 12pm
Wednesdays : 10am to 12pm
Fridays : 10am to 12pm
Cost : \$10.00 per child.

Our fully-equipped gymnastic centre offers children many opportunities for active play including bouncing, jumping, balancing, crawling, tumbling and more; which in turn will help them develop balance and gross motor skills

Our PlayGym programme is a non-structured class for young children. So **each child must be accompanied by a parent/guardian.**

So, come down with your child/ren and bring a friend along. Let them keep fit, make new friends and generally, have a good time.

Kind Regards.
